

# REQUIREMENTS

All off-site classes will be charged a **\$500 fee** in addition to the class fees (this fee is waived for TxDOT and TXAPA members only). Below you will find the enrollment requirements and fees for offsite training and certification classes:

| Class Description              | Min. # of Students* | Max. # of Students | Fee (Per Student) |
|--------------------------------|---------------------|--------------------|-------------------|
| Level 1A Training (3 days)     | 4                   | 5                  | \$1,000           |
| Level 1A Certification (1 day) | 4                   | 5                  | \$700             |
| Level 1B Training (2 days)     | 8                   | 12                 | \$1,000           |
| Level 1B Certification (1 day) | 8                   | 12                 | \$700             |
| AGG101 Training (2 days)       | 4                   | 5                  | \$1000            |
| AGG101 Certification (1 day)   | 4                   | 5                  | \$700             |
| SB101 Training (3 days)        | 4                   | 5                  | \$1000            |
| SB101 Certification (1 day)    | 4                   | 5                  | \$700             |
| SB102 Training (1 day)         | 8                   | 12                 | \$700             |
| SB102 Certification (1 day)    | 8                   | 12                 | \$700             |
| SB103 Training (1 day)         | 5                   | 6                  | \$700             |
| SB103 Certification (1 day)    | 5                   | 6                  | \$700             |

*\*Minimum enrollment requirements must be met to schedule an off-site class.*

## ADDITIONAL REQUIREMENTS

You will be required to download and complete a class-specific fillable PDF checklist and an off-site agreement. A completed copy, including a supervisor's signature, must be submitted for verification.

The list of requirements can be found at <https://www.txhmac.org/class-specific-requirements/>
